PlusTime NH's AmeriCorps*VISTA Program

AmeriCorps*VISTA was established by the US Government in the 1960's, and is often seen as the 'Domestic Peace Corps'. The primary goal of the AmeriCorps*VISTA Program is to help build the capacity of non-profit organizations to serve low-income people and communities. Similar to the Peace Corps, AmeriCorps*VISTA positions are designed to assist host sites in developing and coordinating programs and systems that will eventually become sustainable without the support of an AmeriCorps*VISTA member.

PlusTime NH is proud to be the sponsoring organization for a dynamic, multi-state AmeriCorps*VISTA Program. Through this sponsorship, PlusTime NH is able to offer AmeriCorps*VISTA as a resource to afterschool programs and organizations.

Geographic Locations of the Program

PlusTime NH AmeriCorps*VISTA members may serve in an afterschool program or organization in New Hampshire **OR** in one of PlusTime NH's partner states. **Currently, we are able to offer A*VISTA positions throughout New Hampshire.**

Types of Service Performed by PlusTime NH AmeriCorps*VISTA Members

The main objective for PlusTime NH AmeriCorps*VISTA members is to assist in building the capacity and sustainability of afterschool programs and organizations. Based on both the needs of the host site and the skills of the member, tasks may include:

- Increasing revenue by researching and writing grants, developing and organizing fundraisers, developing systems to enhance donor relations, etc.
- Building community support by engaging key stakeholders through public relations and media outreach efforts, parent engagement strategies, etc.
- Increasing support by developing systems for recruiting, managing and recognizing volunteers.

The beauty of the AmeriCorps*VISTA Program is that depending on interests and skills, AmeriCorps*VISTA members can work with their host sites to develop special projects which would benefit both the member and host site. Creativity is both allowed and encouraged!
