PROMOTE, LEARN, GROW

...and make a *difference* doing it

IT'S A WIN-WIN.

Sponsoring a Volunteer New Hampshire event, such as the Governor's Conference, provides you the unique opportunity to connect with the greater New Hampshire community, to build brand awareness and show your company's support of an important cause: volunteerism and non-profit skill training.

Demonstrate your company's devotion to service and the New Hampshire volunteer and non-profit sector. Participate in training sessions and skill building lessons. Enhance your company's expertise in the area of service while also growing your company's reputation throughout New Hampshire as being a supporter of volunteerism.

WE'LL FIND THE RIGHT FIT

Whether it's a *spotlight speaking* opportunity, having your company's name prominently displayed on a *banner*, being included in a *press release*, being highlighted on Volunteer New Hampshire's *website*, or simply setting up an *exhibit display table*, there are plenty of opportunities that are offered as a sponsor of Volunteer NH. We will provide exposure in return for your support to service and volunteerism.

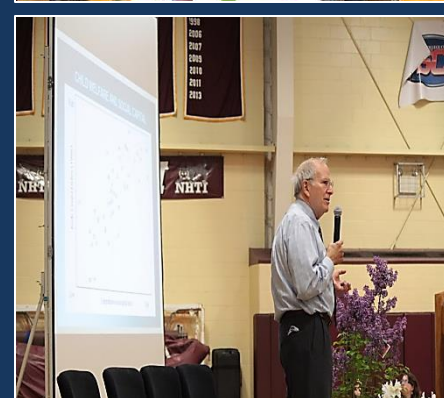

ALL FOR VOLUNTEERISM

A time of recognition, support, engagement, and training.

ABOUT THE EVENT

Volunteer NH, in cooperation with the Governor's office, hosts the annual Governor's Conference on Volunteerism, which has become the premier volunteer training event in the state. The conference's purpose is to educate, enhance skills and provide professional development that will support and strengthen New Hampshire's volunteer programs and organizations. In addition to the training sessions, the Governor will present the Award for Outstanding Volunteer Manager of the Year, which was awarded to Nikki Lyons last year from *Make A Wish Foundation*.

TIME TO LEARN & GROW

Our mission is not to simply promote volunteerism and service, but to supply those willing to serve with the proper tools that are needed to be effective in their mission.

Companies and organizations participating in the Governors Conference can take advantage of a least 25 training sessions provided through the conference.

- *Content Marketing: Email, Blogging, and Social Media*
